**How We Will Calculate Your Balance:** We use a method called "average daily balance (including new purchases)."

**Important Information About Procedures for Opening a New Account.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. **What this means for you:** When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

**Terms and Conditions:** The words "you" and "your" mean each person (as an individual) and all persons (as a group) applying as a Primary Applicant or Co-Applicant. You are applying for a credit card account provided by Pinnacle Bank, Nashville, TN, doing business as Apex Cardmember Services ("we," "us," and "our"). By applying, you certify and agree that:

- You are at least 18 years old (or at least 19, if a Nebraska or Alabama resident);
- You received, read, and agree to all terms and conditions provided with this application;
- All information and documents provided with your application is true, correct, and complete and we may rely on it;
- You are asking us to issue credit cards for account access to you and each Authorized User that any of you designate;
- You agree to be responsible, individually and together, for account use by any of you and any Authorized User;
- You will read the Consumer Cardmember Agreement and its Account Opening Disclosures carefully before you use or allow anyone else to use any credit card account;

- We are allowed to verify your employment, income, address, and all other information about you with financial institutions, credit reporting agencies, employers, government agencies, and other third parties;
- We are authorized to use and disclose information about you, this application and any account we provide for our everyday business purposes, to the extent permitted by applicable law and as described in our Privacy Policy, including information we share with our service providers and other financial institutions to maintain and provide your credit card account;
- The obligations incurred with this credit card account are being incurred in the interest of your marriage or family, if you are married and living in a community property state; and
- If we decide not to approve any application you submit for a MasterCard World Credit Card or a Visa Signature Credit Card, you want us to consider this submission to be your application for the Platinum Rewards Credit Card. You understand that the Platinum Rewards Credit Card has fewer benefits than the MasterCard World Credit Card and the Visa Signature Credit Card, but the same rates and fees apply to both cards.

You agree that we may obtain consumer credit reports about you to review this application, and, if we open a credit card account for you, that we may obtain consumer credit reports about you in the future to review, update, renew, collect, and service your credit card account and for other purposes permitted by law. We will, if you request, tell you whether we obtained a consumer credit report about you and tell you the name and address of any consumer reporting agency that provided the report.

If we open a credit card account for you, you understand and agree that you will be subject to all terms and conditions described in our Consumer Cardmember Agreement, as amended from time to time, including but not limited to its terms related to account payments, rates and fees, change in terms, and arbitration. This Consumer Cardmember Agreement becomes effective the first time you or any Authorized User activates a Card or uses the Account in any way. You understand and agree that we may change the Consumer Cardmember Agreement and the rates, fees, and terms of your credit card account as allowed by law, after we give any notice and wait any time period that the law requires.

**Consent for Communications:** By applying and providing your telephone number(s) and email address(es), you expressly authorize us and our agents and service providers to use any available written, electronic, or verbal means of contacting you for any purpose related to the servicing and collection of your accounts with us, for surveys and research, and for any other informational purpose related to your accounts with us (each, a "Communication"). You agree this authorization for Communications includes, but is not limited to, our use of manual calling methods, prerecorded or artificial voice messages, text messages, e-mail messages, and/or automatic telephone dialing systems. You agree that we and our agents and service providers may contact you for these Communications using any e-mail address or telephone number you provide, including a number for a cellular telephone or other wireless device, regardless of any charges you may incur as a result. We will not charge you for making a Communication, but your service provider may. You agree that we and our agents and service providers may monitor and record telephone calls about your credit card account to assure service quality or for other legitimate business reasons. You understand and agree that we and our agents and service providers may always communicate with you in any manner permitted by law that does not require your prior consent.

**Notice of Negative Information Furnishing:** We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

**Notice to California Residents:** An applicant, if married, may apply for a separate account. After credit approval, the Primary Applicant and any Co-Applicant shall each have the right to use the account to the extent of any established credit limit and each may be liable for all credit extended under the account.

**Notice to Ohio Residents:** The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

**Notice to New York Residents:** You may contact the New York State Department of Financial Services by telephone or visit its website for free information on comparative credit card rates, fees and grace periods.
